BISHOP PAIUTE TRIBE SOCIAL SERVICES

RAVE PROGRAM

HIGHLIGHT

The Bishop Paiute Tribe Social Services RAVE program has expanded its victim services to the local school district. After months of planning and meeting with the school officials, we now have a space and a day allocated to RAVE to provide Peer Counseling and Support Services. Tuesday, March 12th was the first day on campus and our Peer Crisis Counselor was able to help those in crisis. We originally planned to have RAVE on campus for two to three hours on Tuesdays however, it became evident that there is a strong need for peer counseling therefore, RAVE will be at the school every Tuesday from 8:30am to 4:00pm.

April is Alcohol Awareness Month. This month allows communities to focus on spreading awareness and reducing the stigma associated with alcohol addiction. Over time, excessive alcohol consumption can lead to the development of chronic diseases and other serious issues that affect your quality of life, physical and mental health.

Did you know that more than 140,000 deaths occur every year in the United States due to excessive alcohol use? Here are some steps you can take to ensure that alcohol doesn't become a problem for you or your loved ones:

- **Show compassion.** Share your concerns with your loved ones. Have an honest, clear, and direct conversation about their habits and drinking patterns.
- **Understand alcoholism.** Educate yourself about the impact of alcohol consumption and discuss it with friends and family. Parents, talk to your children about the dangers of alcohol and drug use.
- **Limit alcohol consumption or try sobriety all together.** If you're considering changing your drinking habits, you'll need to decide whether to cut it down or quit.
- **Stay occupied in a productive way.** Get active by exercising or find enjoyment by learning a new skill or hobby that doesn't involve alcohol.
- **Minimize temptation.** Limit the amount of time spent at a bar or other venues that serve alcohol. Engage in social outings and events that do not encourage or center around alcohol.
- **Seek additional support.** Connect with trained medical professionals for additional help, resources, formalized treatment options, and counseling.

Success Story: if you have survived a crime, you too are a survivor!!

The letter below was written by a Survivor. The Survivor wanted to express their gratitude.

To: Lucinda Kane <lucinda.kane@bishoppaiute.org>
Subject: Thank you

I am writing this letter for any and all individuals that oversee run and dedicate their time and support to the Rave program, as well as genuine care and assistance to the individuals and families who are able to utilize the services and programs that are offered. I am one of the individuals who has been able to receive assistance along with my family on several occasions. With that being said, I just wanted to write a letter to express my gratitude and appreciation coming from a very sincere place in my heart. I feel very grateful and very thankful for having been able to have received so much amazing care and assistance from the program as well as the overwhelming compassion from the staff, who I have now come to trust and connect with on a welcoming, respectful, caring level of not only responsive, smart, intuitive Advocates, but as reliable understanding non-judgmental members of my inner support group. Specifically I would like to say thank you to Nancy and Cindy who have gone above and beyond to help me and be so supportive when allowing me to confide in them during such a vulnerable emotional time for me. It's not easy to give anyone the trust and honesty when it comes to seeking help in the abusive situation and circumstances that I am facing. This has been a very stressful and difficult thing for me and my children to have to struggle with and endure for too long. If it had not been for this program I would possibly be stuck still in this violent cycle nobody should have to witness or go through. I am sure that if I had not found out about the program I would be alone and things would have more than likely escalated for the worst for me by physical and emotional abuse. I am happy to be able to have reached a new milestone on my journey to continue to heal and starting a more positive conducive safe lifestyle. I'm hopeful that my kids and everyone else who cares about my well-being will have the feeling and sense of relief now knowing that I am in a safer place now able to focus on what's important and on regathering my life for a better future. I intend to do more with help of the program such as peer counseling and looking deeper into the the options and opportunities that will help me begin to move forward confidently with building a better life.

Once again thank you,
with the biggest hugs

Grants and Progress with Strategic Planning Meetings – Dr. Bonnie Eberhardt Bobb

The Tribe recently received a \$20,000 SCE grant for the supplies for the Bishop Paiute Head Start Program and supplies and Science, Technology, Engineering, and Math (STEM) scholarships for the Bishop Paiute Indian Education Program. The Food Sovereignty Program received a \$100,000 grant from CalRecycle for a community-scale composting project, processing food waste and other organic material. Great work!!

Strategic Planning meetings have been held so far. Our process has quite a few steps.

- 1) identify the issues;
- 2) establish a vision for the reservation;
- 3) Develop categories of effort and prioritize;
- 4) Establish short-term and long-term Goals and Objectives;
- 5) Plan actions to reach the goals;
- 6) Determine sources of assistance from departments and sources of funding;
- 7) Review document.

Issues so far have been: need for housing, community clean-up (solid waste and vegetation), water and water hookups, irrigation, drugs and overdose, staff turnover, job creation and training, land acquisition, hotel and other investments, emergency response, firefighter training, traditions of helping each other and working together, fathers helping the young men, dog control, communication of the needs of the people.

Please come and participate in the creation of this 1-5 year Strategic Plan.

TRIBAL STRATEGIC PLANNING MEETING

Please come and participate in the creation of this 1-5 year Strategic Plan. Next meetings in 2024.

How can future generations be better served?

What is important to you as a community member?

A HEARTFELT SHOUT OUT TO ORANGE LUTHERAN HIGH SCHOOL!

On Friday & Saturday, March 15th & 16th, over 175 students from Orange Lutheran High School in Orange, CA came to our reservation to lend a helping hand to various community service projects throughout Payahuunadü. This bi-annual program has become a prime example of generosity and goodwill.

We were blessed to host 20+ youth along with their chaperones and supervisors on Saturday, who worked so very hard to beautify our Cultural Center. They repainted the exterior pathway, reboarded our picnic tables, and fixed our huvas (shade structure). As a small token of our appreciation, we shared popsicles and taught them how to make cordage out of dog bane. On Friday, their helpfulness extended to assisting the Tribe's Environmental Department and the Food Sovereignty Program with additional projects, such as cleaning the garden behind the Cultural Center.

CULTURAL CENTER WELCOMES FLASH FOXY CLIMBING FESTIVAL PARTICIPANTS

On Friday, March 15th, we welcomed festival participants to the Cultural Center and hosted four tours with the help of Rena Brown and Charlene Redner. These two ladies provided insights into our cultural traditions and shared their knowledge on making cordage and beading. Thank you ladies!

In 2023, Flash Foxy generously donated \$2,162 from ticket sales to our Cultural Center, supporting museum demonstrations and outreach programming. We are very honored and grateful that a portion of this year's 2024 festival ticket sales will once again be directed to the Cultural Center! Thank you Flash Foxy for your ongoing support!

TRIBAL SURVEYS FOR COMMUNITY OUTREACH AND LANGUAGE PRESERVATION

On Saturday, March 16th, the Cultural Center began a survey at the Boys with Braids event held at Toiyabe Indian Health Project which will run through May 2024. It consists of two parts:

Part A - The IMLS Cultural Outreach survey will analyze the strengths and weaknesses of the Cultural Center's outreach and education programs. This will ensure the effectiveness of our activities and resource materials.

Part B - The ANA Language survey will provide insights on better ways to preserve and revitalize the native language of the local Owens Valley Paiute and Western Shoshone people. This will aid in resource expansion on and for our reservation.

In-person survey-taking will be available at the Cultural Center and at community events, such as Spring Gathering and Earth Day/Spring Market. Incentives will be available only for those who complete the survey in-person.

Additionally, for tribal members who live out of the area and would like to participate, the survey can be completed by scanning the QR code: →

The Cultural Center will be launching its third year of weekend demonstrations at the museum. The focus of this program is to showcase the cultural heritage of the Paiute and Shoshone people and offer support to our local native artists with a dedicated space to work on their craft while educating museum patrons. Demonstrations will run from May through August 2024.

If you are interested in being a demonstrator, please reach out to the Cultural Center Outreach Program at 760-873-8844 ext. 1444 or ext. 1445. This effort is made possible through the generous donations of Flash Foxy and the March 2024 Climbing Festival.

April 2024 update

Flash Foxy Climbing Festival Weekend!

EMO staff had a great weekend attending the Flash Foxy Climbing Festival March 15-17th. On Friday, March 15th we tabled at the Opening Party to distribute information pamphlets about the Cultural Center and THPO, as well as share our Recreation Guide “How to recreate responsibly in Payahuunadū” (tinyurl.com/BPTguide). That night we also heard Chairwoman Picard give a welcome at the festival and watched a wonderful performance by AkaMya.

On Saturday, we tabled at the Open Air Market with the Cultural Center and had some great conversations with folks about the land around Bishop and how climbers can be more respectful towards the land. We had trivia, which tested participants’ knowledge about native plants, water quality, and tribal governments.

Sunday morning we got up early to watch Bishop Paiute Tribal Elders share a wonderful cultural presentation to kick off a day of stewardship. At 10am that day over 30 volunteers showed up at the COSA and helped us to install 2 brand new kiosks, remove invasive weeds, and level ground for a new education area. Many thanks to Flash Foxy for their help in the COSA and for hosting such an intentional event!
